ABOUT US

The Professional Development Consortium (PDC) is an organization dedicated to the development and management of training and professional growth for lawyers, future lawyers, and other professionals. We serve a diverse group including those in law firms, law schools, government agencies, and corporations.

We focus on enhancing legal performance through learning opportunities, member engagement, and community building among professionals in the legal field.

We are a growing association, currently over 900 members strong. We are decision makers at law firms, law schools, government agencies, and corporations who create and manage training and professional development for lawyers and future lawyers.

73%

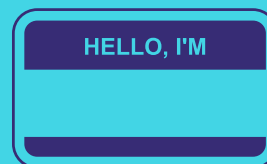

Of the top 200 firms ranked by AmLaw represented in our membership.

MEMBERSHIP DEMOGRAPHICS

Members hail from 37 states and the District of Columbia - we have local groups in 12 regions.

63% of conference attendees are senior or executive level, with the remainder split between mid and entry level roles.

About The Event

The conference is designed to unite professional development leaders from across the nation. We are thrilled to offer an enriching program tailored to foster learning, inspiration, and collaboration within the PDC.

The heart of our conference lies in its diverse range of sessions and PDC Talks, curated to cater to the wide spectrum of interests and challenges within legal PD. The content is crafted to not only deliver valuable insights and practical strategies but also to spark innovative ideas that attendees can implement in their professional lives.

Understanding the importance of networking in professional growth, the 2024 Summer Conference goes above and beyond to create meaningful connections among attendees. The conference will have numerous opportunities for participants to network, share experiences, and forge lasting relationships with peers and industry leaders.
